Dear Sir/Madam,

Embrace your new digital MPF experience through the eMPF Platform

eMPF Platform Company Limited (eMPF Company)¹ and Sun Life Trustee Company Limited (Sun Life) invite you to embrace the new digital MPF experience through the eMPF Platform (eMPF)!

What's in it for me?

The eMPF is a centralized electronic platform and your one-stop online hub for managing your MPF anytime anywhere through mobile app or web portal. Whether you are an employer, a scheme member or a self-employed person, the eMPF will bring your MPF experience to a whole new level. The eMPF will bring you benefits which include:

Employers and Self-employed Persons

- Make MPF contributions with different e-payment options
- Automate calculation of contributions
- Receive e-reminders of contribution due dates
- Reduce paper work and human errors

Scheme Members and Self-employed Persons

- For MPF accounts which have got onboard the eMPF:
 - View account balance and manage all accounts via a one-stop app/portal
 - Consolidate accounts and switch investment choices anytime anywhere
 - Make voluntary contributions in a breeze
 - Apply for withdrawal of MPF under different MPF schemes in one go

When can I start using the eMPF?

MPF trustees and their schemes have been getting onboard the eMPF in sequence one by one (details @www.empf.org.hk). Information of accounts under Sun Life's **Sun Life Rainbow MPF Scheme** will be transferred to the eMPF from the following date²:

Sun Life Rainbow MPF Scheme:

Target eMPF Onboarding Date

3 October 2025

From this date onward, information and records of your MPF account under this scheme will be transferred to the eMPF. While Sun Life remains the trustee of the scheme, eMPF Company will utilize the eMPF to perform the administration of the MPF scheme, provide scheme administration services³ to you and handle your service instructions, including making contributions, changing investment choices, checking account balance and withdrawing MPF, etc. From then on, you can manage your MPF on the eMPF and should no longer submit scheme administration service instructions to Sun Life.

No need to register again with eMPF

As an employer, regardless of how many MPF schemes you are participating in, you need to register with eMPF only once to manage all the schemes under your company which have got onboard the eMPF. Since your company has completed registration with the eMPF earlier, you do not need to register again. Starting from 3 October 2025, you can view and manage your MPF account under the above scheme via the eMPF.

Enquiries

Please see the back page for **Messages from Your Trustee** and some frequently asked questions. For enquiries, please call the eMPF Customer Service Hotline at **183 2622**. We look forward to serving you on the eMPF.

Messages from Your Trustee

Starting from 3 October 2025, the eMPF Company will take up the administration of the MPF scheme and provide scheme administration services to you via the eMPF, including handling service instructions from employers, scheme members and self-employed persons. Hence, you should submit scheme administration service instructions directly to the eMPF instead of Sun Life.

Important Note to Employers on Making Contributions

Employer should submit contribution data and make payments via the eMPF for processing but not Sun Life anymore starting from the contribution period of **September 2025** (with a deadline for making contributions on 10 October 2025). Scan the QR code on the left to view a **“A Comprehensive Guide to MPF Contribution Payment Methods”**.

Late payment will be **subject to a surcharge** calculated at 5% of the late payment amount.

Frequently Asked Questions

1: Can I continue to drop off contribution cheques at my trustee’s branch or service centre after my trustee has got onboard the eMPF?

No. You should send contribution cheques to eMPF Company by post (PO Box 98929 Tsim Sha Tsui Post Office) or through drop-in box at any of its service centres (details @www.empf.org.hk). But why bother? Switch to e-payment via the eMPF for a more convenient and efficient experience!

2: If I pay contributions by paper cheque, should I write the cheque to “eMPF Company” instead?

No. The payee of MPF contributions remains unchanged. You should write the cheque to your trustee as usual, i.e. “Sun Life Trustee Company Limited”. We encourage you to switch to e-payment which can help avoid clerical error or delay in postal delivery resulting in late contribution subject to surcharge.

3: My company is participating in two MPF schemes. After I have registered with eMPF, will I see account information of both schemes on the eMPF?

Trustees and their schemes have been getting onboard the eMPF in sequence one by one (details @www.empf.org.hk). After your other scheme has got onboard, your MPF account information of that scheme will be automatically shown on the eMPF.

Notice to Participating Employers and Scheme Members

This is an important document. You should read it carefully and thoroughly. If there is any query about the content of this document, you should seek independent professional advice. The trustee of the Scheme accepts responsibility for the information contained in this document as being accurate as at the date of this document.

23 July 2025

Dear participating employers and Scheme members,

We, Sun Life Trustee Company Limited, the trustee of the Scheme (the "**Trustee**", "**we**" or "**us**"), write to inform you that certain changes will be made to the Scheme. Capitalised terms not defined in this notice shall have the same meaning as in the MPF scheme brochure of the Scheme (the "**MPF Scheme Brochure**").

The Scheme is targeted to get onboard the eMPF Platform on 3 October 2025 (the "**Onboarding Date**")¹ ("**eMPF Onboarding**"). The relevant administrative services currently provided by BestServe Financial Limited ("**BestServe**"), the administrator of the Scheme, will cease and the eMPF Platform Company Limited (the "**eMPF Company**") will take up the administration of the Scheme and provide scheme administration services to handle instructions from participating employers and Scheme members directly through the eMPF Platform.

eMPF Platform is a centralized electronic platform and your one-stop online hub for managing your Mandatory Provident Fund ("**MPF**") anytime anywhere through the eMPF Web Portal or the eMPF Mobile App (you may scan the QR Codes below for access).

¹ The Onboarding Date is subject to the legal notice on mandatory use of eMPF Platform of the Scheme to be published in the Gazette. If there is any change to the Onboarding Date, there may be corresponding changes to other relevant dates in this notice (as set out in other footnotes of this notice). In case of any changes, we will promptly communicate with you.

What are the Changes (as defined below)?

Starting from the Onboarding Date, there will be certain changes ("**Changes**") with respect to the administration of the Scheme. Participating employers and Scheme members should submit their MPF instructions to the eMPF Platform directly. Participating employers and Scheme members should no longer submit their instructions to us / BestServe. For details, please refer to section 2 of this notice.

With respect to the details of the transitional operational arrangements and the relevant cut-off dates (i.e. the last date on which the relevant valid instructions need to be received by us / BestServe in order for the instructions to be processed before the Onboarding Date), please refer to section 3 of this notice.

Switching instructions and change of investment mandate instructions received by us / BestServe on or after the relevant cut-off dates indicated in section 3 of this notice and before the Onboarding Date will be rejected and Scheme members will need to submit the instructions to the eMPF Platform again on or after the Onboarding Date. There will be a period of suspension before the Scheme gets onboard the eMPF Platform, namely from 17 September to 2 October 2025 (both days inclusive)², during which dealing and services provided by us and/or BestServe will be suspended.

In addition, the trust deed of the Scheme (the "**Trust Deed**"), the MPF Scheme Brochure and the key scheme information document of the Scheme (the "**KSID**") (where necessary) will be amended and/or streamlined to:

- (a) reflect the eMPF Onboarding;
- (b) reflect the reduction of the aggregate management fees of certain constituent funds and fee disclosure in connection with the eMPF Company taking up the administration services of the Scheme;
- (c) reflect the new administrative arrangements; and
- (d) reflect miscellaneous changes.

Please refer to this notice for details of the Changes.

Actions to be taken

Participating employers and Scheme members should complete registration with the eMPF Platform through the eMPF Web Portal or the eMPF Mobile App starting from 1 August 2025 (the "**Registration Start Date**") in order to have access to electronic channels of the eMPF Platform from the Onboarding Date. For participating employers, if your company has already registered for the eMPF Platform earlier, you do not need to register again. Similarly, Scheme members who have already registered for the eMPF Platform do not need to register again.

Please refer to section 2 of this notice for details.

- Seminars about the eMPF Platform will be held for participating employers and Scheme members; and
- eMPF Customer Service Hotline, eMPF Service Centres and eMPF Kiosk Arrangement will be in place.

² This may be subject to change. For details, please refer to footnote 1 of this notice.

For further information, please refer to sections 5 and 6 of this notice.

Participating employers and Scheme members may also wish to attend the seminar as referred to in section 5 of this notice.

** In the event of a cut-off date becoming a Severe Weather Trading Day (i.e. a day or part of a day on which Tropical Cyclone Warning Signal No.8 or above, or black rainstorm warning signal is hoisted or the Government of the Hong Kong Special Administrative Region of the People's Republic of China makes an announcement on a territory-wide "extreme conditions" and the Stock Exchange of Hong Kong is open for the business of dealing in securities), we will still process online switching, online change of investment mandate and online change of member particulars instructions from participating employers and Scheme members and received by BestServe on such day. For other instructions (excluding switching, change of investment mandate and change of member particulars instructions received in paper form on such day), we will use

For switching, change of investment mandate and change of member particulars instructions received in paper form on such day, such instructions will be rejected and Scheme members will need to submit the instruction to the eMPF Platform again on or after the Onboarding Date.

The cut-off dates set out in the table above may be subject to change. For details, please refer to footnote 1 of this notice.

- (b) a previous fund switching instruction has not yet been completed; or
- (c) the participating employer's request for refund of long service payment or severance payment is being processed

then such fund switching instruction will not be able to be processed before the Onboarding Date and will be rejected. Accordingly, members will have to submit new instruction to the eMPF Platform on or after the Onboarding Date.

3.4 In relation to valid instructions (other than switching instructions and change of investment mandate instructions) received after the respective cut-off dates and times (if any) and before the Onboarding Date (regardless of whether they are given via electronic means or in paper forms), we will not process such instructions but will transfer such instructions to the eMPF Platform which would process such instructions on or after the Onboarding Date. As for any switching instructions and change of investment mandate instructions received after the respective cut-off dates and times (if any) and before the Onboarding Date (regardless of whether they are given via electronic means or in paper forms), such instructions will be rejected and Scheme members will need to submit the instruction to the eMPF Platform again on or after the Onboarding Date.

3.5 After the Onboarding Date, we will not process any instruction received by us and/or BestServe but will forward such instruction to the eMPF Platform for further handling.

3.6 Arrangement of e-communication consent for passport holders

Scheme members are required to complete the registration with the eMPF Platform for receiving notices or documents by electronic means including e-notification and e-statement ("**e-Communications**") from the eMPF Platform. However, if Scheme members previously used passport as identification document to enrol the MPF account(s) in the Scheme, Scheme members will not be able to complete the registration with the eMPF Platform using passport number and receive e-Communications from the eMPF Platform. As a result, the eMPF Platform will send all notices or documents to Scheme members through paper means. If Scheme members wish to continue to receive e-Communications from the eMPF Platform after

the Scheme gets onboard, please update the identification document to Hong Kong Identity Card (i) with the Trustee before onboarding or (ii) with the eMPF Platform after onboarding.

4. Amendment to the Trust Deed, MPF Scheme Brochure and KSID

4.1 The Trust Deed, MPF Scheme Brochure and KSID will be amended to reflect the new administrative arrangements as summarised in section 2 of this notice.

For details as to what types of expenses are characterised as out-of-pocket expenses, please refer to section 3.2.5 of the MPF Scheme Brochure.
- 4.5 As a result of the above, relevant changes and other minor amendments will be made to the MPF Scheme Brochure, the Trust Deed and the KSID.
- 4.6 Further, there will be the following miscellaneous changes to the MPF Scheme Brochure, the Trust Deed and / or the KSID:

- (a) In response to the severe weather trading arrangement implemented by The Stock Exchange of Hong Kong Limited, the relevant sections of the MPF Scheme Brochure, the KSID and/or the Trust Deed will be revised so that the following online services and processes will generally be made available and carried out as usual on a Severe Weather Trading Day:
- (i) Online fund switching of constituent funds
 - (ii) Change of investment mandate for future contributions online
 - (iii) Annual de-risking for Scheme members participating in the Default Investment Strategy or the Fund Cruiser
 - (iv) Valuation of constituent funds

Except for the specified services and processes as set out above, all other services and processes under the Scheme will remain closed on a Severe Weather Trading Day, unless the Trustee considers it appropriate to make any of them available. For details, please refer to the latest MPF Scheme Brochure, KSID and Trust Deed.

- (b) In view of the new MPF offsetting arrangement effective 1 May 2025 (the “**Transition Date**”), the MPF Scheme Brochure will be updated to reflect the new MPF offsetting arrangement as follows:
- (i) A participating employer **cannot** use the accrued benefits attributable to its own mandatory contributions to offset an employee member's statutory long service payment or severance payment (the “**LSP / SP**”) in respect of the employee member's years of service from and including the Transition Date (“**post-Transition portion of LSP / SP**”). Despite this, the participating employer can continue to use such benefits to offset an employee member's LSP / SP in respect of the employee member's years of service before the Transition Date (“**pre-Transition portion of LSP / SP**”).
 - (ii) A participating employer can continue to use the accrued benefits attributable to its own voluntary contributions to offset both an employee member's pre-Transition portion of LSP / SP and post-Transition portion of LSP / SP.

Further, the MPF Scheme Brochure will also be updated to include the default sequence of offsetting against LSP / SP, i.e. firstly, benefits attributable to the participating employer's transfer from an occupational retirement scheme (if applicable); secondly, benefits attributable to the participating employer's voluntary contributions (if applicable); and lastly, benefits attributable to the participating employer's mandatory contributions (with respect to the LSP / SP attributable to the employee member's period of service before the Transition Date). However, should a participating employer with different types of benefits attributable to its own contributions wish to apply a different sequence of offsetting, the participating employer may make such application through the eMPF Platform.
